### **Furnishing Families of Texas**

Mission statement from the website: “The DFW Metroplex has one of the highest Homeless Single Mother Family Populations in the nation. We partner with local charities that help desperate families get a roof over their head. Many have nothing and will sleep and eat on the floor. We work to provide beds, bedding, tables, chairs and other basic home necessities to these Moms and their children – at no cost to them.”

### **Dallas Furniture Bank**

“Our Purpose” from the website: “DFB collects basic household furniture from private households and businesses and stores them in a warehouse for future distribution. Simply put, we coordinate the transfer of unwanted, gently used furniture from people who wish to donate, to those who are desperately in need.”
