

Update: 1/22/2021

Revive Legal Services

“Providing legal advice to our neighbors.”

Revive Legal gives advice on any legal issue at help clinics. Our volunteer attorneys are licensed by the State Bar of Texas. We educate you on the law and give you a plan to move forward. We don't take on your case - or represent you in court - we only give legal advice.

Free legal clinics held periodically. See website for upcoming seminars.
