## Mini Loan Program Completion Survey

Congratulations to you and your family for repaying your Mini Loan. Repaying your loan not only relieved you from debt—it allows us to make new loans to others! Thank you!

<b>Based on your experience during the loan application process and during the period of the loan: (select one box per row with a check mark)</b>	<b>1 Strongly Agree</b>	<b>2 Agree</b>	<b>3 Neutral</b>	<b>4 Disagree</b>	<b>5 Strongly Disagree</b>
I have a better understanding of the importance of budgeting and finances in general.					
Now that I have paid off my loan I will begin to save or am more likely to save.					
I do not plan to take out a payday/auto title loan again.					
I am currently using a budget.					
I am interested in participating in the SVdP Financial Freedom Workshop.					
I will make a strong effort to continue to add to the \$50 savings fund that SVdP has provided to me.					
Now that my debt is paid off, I believe I will be less stressed/better able to handle other problems.
