MINI LOAN PROGRAM

Agreement to pay back The Society of St Vincent de Paul for payments made on your behalf

The Society of St. Vincent de Paul has made _____ payments to your mini loan at _____ Bank because you were having financial difficulty. We made these payments using funds from an account that helps others just like you. By signing your name below you hereby agree to pay The Society back when your loan term at the bank is completed.

By making these payments back you are ensuring that others can receive a mini loan like you did to pay off their payday or title loan that is costing them so much money, or to receive and emergency loan.

Your loan term with _____ Bank will end on _____

Shortly thereafter, you will receive a letter in the mail that will detail exactly what you owe and who you will need to contact about making these payments directly back to The Society.

You agreed to receive financial coaching when you applied for the loan. Your advocate will walk with you during this difficult time. He/she will assist you in drafting up a new budget and help you and your family in every way possible to get back on the road to financial recovery.
