

The Need

Unable to afford health-sustaining prescription medications like insulin, blood pressure medications and asthma inhalers.

Forego paying for medicines to pay for rent, utilities or food

20.9% of Texans have no health insurance

88% of those uninsured earn incomes below 300% of the Federal Poverty Level.

1 in 6 Texans (or 5.3 million people) are eligible for free medications

For each additional family member add \$15,420

If you have a neighbor that qualifies, go to:

<https://svdpdallas.org/pharmacy>

Click on “Referral Form”

It is best for a Vincentian to complete this referral. One of the in-take representatives will contact the neighbor to complete the application.

Start using the pharmacy, contact:

Pharmacist-In-Charge Carlos Irula, 469-232-9902, pic@svdpdallas.org

For those having insurance, please refer to the Mark Cuban Cost Plus Drug Program: <https://costplusdrugs.com/>

How does this program work?

1. Find your medication in our online store by searching, browsing alphabetically or by medical condition.
2. Once you’ve found your medication, [sign up for an account](#).
3. Reach out to your doctor or provider with our provided instructions (costplusdrugs.com/contact-your-doctor) to receive your prescriptions.
4. Once we receive a prescription from your doctor, you’ll be notified to checkout.
5. Your medications will be delivered straight to your door in just a few days.

Currently, they have a limited number of medications, however, are working to increase the number of medications available.
